Online Certificate Course in Exoplanets: Introduction to Life on Earth & Beyond the Solar System | Batch 01

28th of AUG 2026

Congratulations!

We are proud to recognize the inaugural cohort of the Online Certificate Course in Exoplanets: Introduction to Life on Earth & Beyond the Solar System (Batch 01), hosted by Eco Astronomy Inc. These exceptional individuals represent the first batch of graduates to successfully complete the program and earn their official certification from the European Space Agency (ESA). Their dedication to exploring the frontiers of astrobiology, planetary science, and the search for life beyond our solar system marks a significant milestone in space education. Congratulations to Batch 01 on this remarkable accomplishment!

TEACH WITH EXOPLANETS

This is to certify that

successfully applied the Teach with Exoplanets course content to deliver an exoplanet activity in a learning setting.
