FINAL RESULTS – ECOAI- 20-01- 2026

Certificate Course in Introduction to Astronomy and Space Applications

| Junior Level 01 | Batch 01 | 2026

Date of Issue: 8th of October 2026

NAME	Presentation [100 %]	MCQ [100%]	ESA Paxi Certificate	Final
1. YETHUM SASEJITH BANDARA | L2	95.5	80	88.5	**87.8**
2. K.A. GANGANA SANDEEP | L2	80.5	70	95.5	**81.8**
3. M.P. THENUMI DIHASNA GUNASEKARA	75.5	Not compulsory	75	**75.25**
4. L.H. LEMIRU SAVDYAN DE SILVA	76.5	Not compulsory	75.5	**76**
5. H.P. DINALI THEHARA SARANANDA	75.5	Not compulsory	75	**75.25**
6. R. JANUNA AKARSHA DAYARATHNA	77.5	Not compulsory	79	**78.25**
7. **INULI NIWETHMA**	74.5	Not compulsory	73	**73.75**
8. **A.B. OMETH DEWRAM AMARASINGHE**	74	Not compulsory	73.5	**73.75**
9. **R.D. SHANADEE METHSARA**	73.5	Not compulsory	79.5	**76**
10. **H.K. NIKINI SHAKYA HABARADUWA**	72.5	Not compulsory	72	**72.25**
11. **W. SINURA SASWIDU**	74		75.5	**74.75**

Notice:

1. Based on the course syllabus, the students listed above have successfully completed all academic activities. Students who achieved a score higher than 59 are eligible to receive their certificate.

2. Eco Astronomy Inc. is proud to award this certificate to students who have successfully completed our primary Level 01 academic programme

3. All students have successfully submitted their artwork for Paxi's Cosmic Art Contest: Eclipses, organized by the European Space Agency and archived the certificate.

4. All students have successfully completed their viva presentations as a key requirement of the Certificate Course in Introduction to Astronomy and Space Applications. You can view the students' presentation activities on the official Eco Astronomy Inc YouTube channel.

5. We are pleased to announce that official certificates will be issued directly by Eco Astronomy Inc. The formal Certificate Awarding Ceremony is scheduled to take place on November 20, 2026. Further details regarding the event schedule, location, and participation logistics will be shared with all recipients in due course.

Range of Mark	Letter of Grade
95- 100	A+
90 -94	A
89- 85	A-
84-80	B+
79-75	B
74-70	B-
69-65	C
64-60	S
Less than 59	F

Dr. Eng. Majda Aouititen
Academic Counselor of Eco Astronomy Inc.
PhD in Nature Reserve Science at Beijing Forestry University School of Ecology & Nature Conservation, Beijing 100083, China.
IUCN member of the Committee on Education and Communication (CEC), and member of the Committee on Ecosystems Management (CEM).

ECO ASTRONOMY
INTERNATIONAL RESEARCH INSTITUTE

M.P. THENUMI DIHASNA GUNASEKARA

STUDENT CODE : ECOAI 20 – CI01-001

This student has successfully completed the Level 01 Main Certificate Course in Introduction to Astronomy and Space Applications offered by Eco Astronomy Inc. Demonstrating a commitment to expanding their expertise in space science, they have also earned an additional online certification from the European Space Agency (ESA) hosts Paxi's Cosmic Art Contest. In recognition of these academic achievements and dedicated study, the student will be officially honored at the Certificate Awarding Ceremony scheduled for November 20, 2026
